MEMORANDUM FOR: [REDACTED]

SUBJECT : Attached Memorandum to DDCI from AD/SI
dated 13 January 1965, Subject, Delegation
of Authority for Making of Grants

I can't see why it is necessary for the attached memorandum when finally approved to go to Logistics for preparation of a delegation of authority. As far as I'm concerned, this is the delegation of authority. I've attached a copy of the reference. What do you think? Otherwise, I concur.
